

NATURAL Wreaths & Decorations

MADE IN TURKEY
ALL NATURAL PRODUCTS

All forests in Turkey are connected and managed by T.C.General Minister of Forestry.

When the manufacturer needs the products from the forest they get permission from Minister of Forestry before they buy. Using just natural products such as pine cones, bark, branch, moss and more.

- All products are recyclable
- The wreaths base are just straw, covered by cotton-fiber.
- Cotton thread for the fixing
- Iron base in pyramid models
- Products dyed with water base paints
- Individually packed in brown open fronted display boxes
